# YOU CAN'T ALL BE RUGGED LUMBERJACKS, BUT YOU CAN STILL SMELL NICE FOR THE HOLIDAYS.

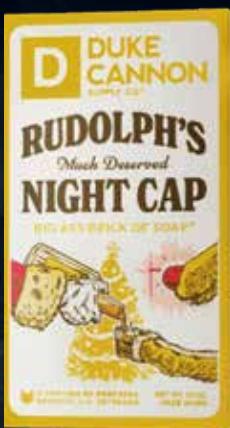

## AND THAT COUNTS FOR SOMETHING.

This soap is made with beer, but it doesn't smell like it. It has a woodsy, sandalwood scent.

When you sit on mall Santa's lap, be sure to tell him everyone you know deserves one of these peppermint-scented bricks of soap.

Give someone this gift of cinnamon and antique wood-scented soap and they'll for sure ask you to join in all their reindeer games.

Duke Cannon partnered with Buffalo Trace Distillery to add their Bourbon Whiskey to this soap, giving a rich, oak barrel scent that smells as good as bourbon tastes.

**Disclaimer:** All Duke Cannon's Big Ass Bars of Soap are 3x bigger and better smelling than traditional bar soap. Made in the USA by humans, not elves. May encourage mischief and general tomfoolery. A portion of Duke Cannon's proceeds directly supports veteran causes.
