MOUTH PEANUT BRITTLE
EVERYONE LOVES**

Bruttles candy begins with a unique (and secret) recipe, handed down over many years. This heavenly confection has a soft, flaky consistency, and the rich, creamy peanut butter flavor we all know and love.

Sophia Gerkenmeyer, a master candy maker, created Bruttles in Spokane. Each batch of her original recipe is still hand-pulled today on the same marble slab she acquired from the historic Davenport Hotel long ago.

WHO'S GOING TO TELL SANTA HE CAN'T EAT ALL THE HAMMOND'S CANDY?

The very best candy cane comes from Hammond's, hands down. Made in a huge array of flavors and in several styles, you just get a great hand-crafted experience from the first lick to the last. Varieties come in traditional, filled, and organic. Even Santa can't choose, because he picked the *Naughty or Nice*, a candy cane that comes with one of two flavors, strawberry or licorice!

Go Ahead & Get a Little Nutty for JD's Whiskey Praline Pecans.

These flavored pecans are as good as it gets as a straight-up snack, and we're pretty sure you'll want more once they're gone. The rich, mellow and distinctive Jack Daniel's flavor is combined with the plumpest, freshest gourmet pecans for a memorably unique taste. These must be magic, because they disappear so quickly!

Don't want to make a pie? This can be poured over waffles, cheesecake or any warm dessert. Since it's from Texas, you have to go big or go home!

HIGHLAND FROST AND FRASIER FIR

Sure to be a holiday favorite, **Highland Frost** was new in 2022. It's a fresh scent of sage, eucalyptus, and cypress needles.

We are also offering **Frasier Fir**, the classic favorite we all know and love.

For the **Pura** smart diffuser lovers, we also have these two must-have scents, as well as what we consider the best electric diffuser available.

FRESH & FRAGRANT CHRISTMAS TREES

**The Tree Lot Opens
November 24**

Choose your freshly cut Christmas tree from the outdoor lot, and bring home one of the fullest, freshest trees in the Tri-Cities! See you there!

Noble Fir • Deep green in color with an unusually lovely branch shape. Boughs of this tree are often made into fresh wreaths. Its branches are sturdy, yet the needles are not too sharp, and decorate easily.

Grand Fir • Has a glossy, dark green color with needles that are 1 to 1 ½ inches long. This tree is *by far* the most fragrant.

Nordmann Fir • A very full tree in terms of both branches and foliage. The needles display a dark, green, glossy upper surface with a contrasting silvery white underneath. Its lighter scent makes it a more suitable tree for those with allergies.

If you're looking for a forever tree, we also carry a large assortment of flocked, frosted, and lifelike luxe trees with or without prelit features, in sizes that will fit any home.

Beautiful, Bountiful Boughs

NOBLE FIR

We love its stiff, upright needles with a bluish tint. The sturdiness of this bough makes it a great support piece.

PORT ORFORD CEDAR

Popular and versatile, this is a cedar with short needles and a graceful, blue-green color.

PRINCESS PINE

A favorite! Pine is very popular because of the long, loose, blue-green stems & branches. Makes a beautiful centerpiece.

Naturally fragrant boughs are a fresh way to decorate porch pots, mantels, stairways, window boxes and even incorporate into holiday table settings. Embellish with twinkling lights, flameless candles, bows, berries, ornaments, dried florals, branches or anything you love, for the perfect look you can share on social media!

JUNIPER BERRY

These are hand cut and adorned with silvery-blue berries. Lightly fragrant with bluish green branches.

INCENSE CEDAR

A gorgeous cedar, beloved for distinctive and fragrant yellow buds at the tips of the branch.

MIXED GREENS

A great assortment of cut greens ready to go for any decorative holiday project.
